FIELD SETUP

We have secured a large field that will allow plenty of room not only for the circular Tricks Party competition field, but also for competitors to practice before, between, and after the rounds, time permitting. All competitors are expected to help with field setup and teardown on Saturday and Sunday, as we will have to set up and tear down each day.

FRIDAY

We do plan to fly Friday afternoon, so join us at the Intergraph Field for some last-minute practice and fun. We will have directions to the field at the hotel, or you can contact one of the organizers for directions via email. We will also have registration packets ready for pickup at 5:00pm at the field or later at the hotel, between 6:30 and 7:00pm. Dinner will be on your own.

COMPETITION SCHEDULE

To be posted at the field.

SATURDAY/SUNDAY LUNCH & DINNER

Lunch on both days of the competition will be provided for the judges and staff only. There are a number of fast-food eating establishments within easy driving distance of the field. For competitors' convenience, we will take orders and money from the fliers and deliver lunches to the field. Soft drinks and water will be provided.
